

PRIVATE ACCOMMODATION IN MONTPELLIER

RESIDENCE DE L'OBSERVATOIRE

- <http://www.residence-observatoire.com/en/>

Each year, the Observatoire welcomes both French and foreign students from around the world. The students stay for both long and short periods, arriving in Montpellier to pursue higher education, carry out internships or to do training courses.

The residence offers 141 apartment studios, fully furnished and equipped.

Ideally located in the center of Montpellier L'Observatoire has easy access for students to get to class and take full advantage of the many cultural and sporting activities that this vibrant city has to offer.

iBUDDY

- iBuddy for shared apartments: They are really willing to help the foreign students and help you to get settled before your arrival: <http://www.ibuddy-france.com/en/home/>. You can find all the informations about them on their website but I also attach you their information brochure.

ESTUDINES

- <https://www.estudines.com/>: Located in big university towns and neighborhoods with good public transportation networks, Estudines residence halls offer functional apartments and services to suit your needs. They have apartments, ranging from studios to two-bedroom units, are furnished and/or fully-equipped, and include a main room, kitchenette, entryway, and bathroom.

These ones are those you can have a look at:

- Les Estudines Clemenceau
- Les Estudines la Coupole du Port
- Les Estudines Sainte Odile
- Les Estudines Saint Roch
